2008 DAVID A. LONG SCHOLARSHIP
$2,000
OFFERED BY
AMERICAN WATER WORKS ASSOCIATION
PENNSYLVANIA SECTION

TO: Financial Aid Officer

The American Water Works Association (AWWA) is an international nonprofit scientific and educational society dedicated to the improvement of drinking water quality and supply. Founded in 1881, AWWA is the largest organization of water supply professionals in the world. Its more than 60,000 members represent the full spectrum of the drinking water community: treatment plant operators and managers, scientists, environmentalists, consultants, manufacturers, academicians, regulators and others who hold genuine interest in water supply and public health. Membership includes more than 4,000 utilities that supply water to roughly 180 million people in North America.

The Pennsylvania Section of the AWWA encourages study in fields relating to the water supply industry and in May of 2008 is offering a $2,000 scholarship to eligible students. Students are eligible to apply if:

(1) They have completed one semester of the college junior year or they are a college senior or graduate level student.

(2) They are pursuing or planning to pursue a degree in engineering, biology, chemistry, business administration or other field which may lead to a career in the water supply industry, and

(3) They are attending a Pennsylvania college or maintain a permanent residence in Pennsylvania.

Please help the Scholarship Committee choose the most worthy students by distributing and posting the enclosed Application Packet and encouraging interested students to apply.

Additional information can be obtained by contacting the PA-AWWA Office, PO Box D, New Cumberland, PA 17070; phone (717) 774-8870; fax (717) 774-0288; or E-mail: paawwa@paawwa.org

The deadline is February 1, 2008.

Daniel E. Standish, Chairman
Scholarship Committee, Pennsylvania Section
American Water Works Association
