

FAQ – HOW DO I CONNECT TO COLONEL_GUEST?

Purpose

This guide details the steps for connecting to the Colonel_GUEST wireless network

Requirements

- Active Wilkes Account
- A device with wireless capabilities

Notes

- If your device is currently connected to a different Wilkes wireless network, you may first need to forget the connection
- The password to the **Colonel_GUEST** network can be found on the homepage of the Wilkes Portal

Process

1. Open the list of available wireless networks on your device and connect to **Colonel_GUEST**
2. When prompted, enter the wireless password. You can locate the password on the homepage of the Wilkes portal
