<b>FAQ – How do I connect to Student.Wilkes.edu using an iPhone or iPad?</b>				

**Purpose**

This guide details the steps to connect to the Student.Wilkes.edu wireless network using an iPhone or iPad.

**Requirements**

1. An active Wilkes account.
2. An iPhone or iPad.

**Notes**

1. If your device is currently connected to the Wilkes.edu, Guest.Wilkes.edu or Wilkes.edu network, you may first need to forget the connection.
2. When you change your Wilkes account password, you will need to update your device with your new password to avoid locking out your account.

**Process**

1. From the **Home** screen, select the **Settings** icon.

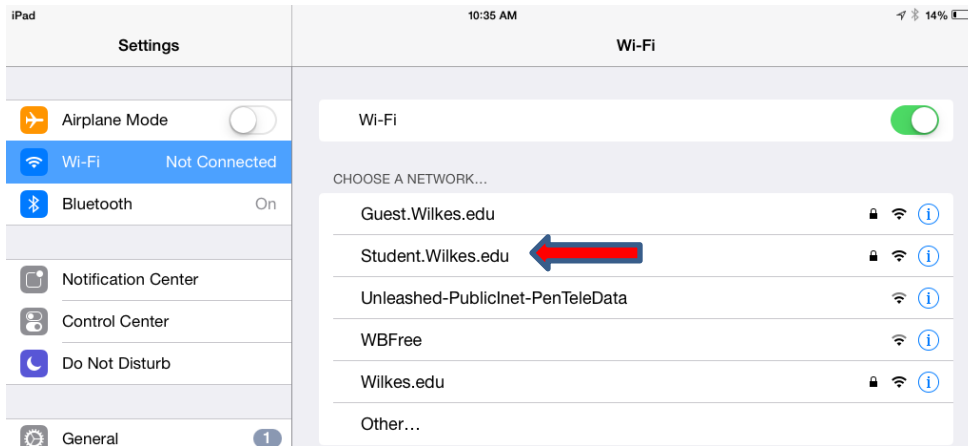

Settings

2. On the left, select **Wi-Fi**.
