Student Engagement

The Student Engagement Office offers educational and social experiences that enhance the quality of student life and learning. Sponsored trips and activities introduce students to the world of art, culture, and performance by providing opportunities to experience visual art, music, theater, and dance, both locally and in larger metropolitan areas such as New York City and Philadelphia. Additionally, the office supports trips and activities that align with students' interests in sports and general entertainment, ensuring a diverse range of options each semester. In collaboration with student organizations, the Student Engagement Office also offers students a variety of local entertainment choices, including discounted bowling passes.

The office also houses the Wilkes Adventure Education (WAE) program which provides experiential learning and strives to cultivate, encourage and develop self-awareness, hard and soft skills, environmental stewardship and an overall sense of wellness. The program's objective is to introduce participants to fun, engaging experiences both indoors and outdoors, so they may learn through trying, doing and practicing in a supportive culture. WAE includes the rock wall and ropes course, and WAE Series outings.
