Registrars Office: Capin Hall 165 S. Franklin St. Wilkes-Barre, PA (P) 570-408-4961 (F) 570-408-4004 (E) registrar@wilkes.edu Mailing

Chosen Name Change:

In support of Wilkes University's commitment to provide an equitable and safe experience for students whose birth name and/or legal name does not reflect their gender identity or expression, Wilkes accepts requests from such students to use a chosen first and/or middle name on certain University records, including your diploma and the Commencement Program. A student's chosen name will be used where feasible in all University systems unless the student's birth name and/or legal name is required by law, deemed necessary by University policy, or the student's requested name is determined to be for intent of misrepresentation.

Process:

To start the process of requesting a chosen name and/or gender marker change, fill out this form completely and email it to registrar@wilkes.edu from your Wilkes University email address, or return it to the Registrar's Office in person. Please note that this request may take 48-business-hours to process.

For questions or to discuss the process, students may contact:

Ms. Susan A. Hritzak
Registrar
susan.hritzak@wilkes.edu

Dr. Phil Ruthkosky
Title IX Coordinator
philip.ruthkosky@wilkes.edu

Legal Name Change:

Designating a chosen first and/or middle name for use at Wilkes University does not constitute a legal name change. In the event a student, by court order, marriage, divorce, etc., changes their legal first, middle, and/or last name, the student may fill out this form as indicated and submit it with the accompanying documentation to effectuate this change. Contact the Registrar's Office for further guidance.
