

# **Center for Continued Learning**

Margaret Petty, Director

The Center for Continued Learning strives to be a quality resource to professionals as well as to the general community who would like to learn on a noncredit level. The center provides programs for professionals so that they may obtain the most current knowledge to keep their license current. The center also offers noncredit programs and prep courses for the general community.

Information regarding the services of the center can be obtained by calling the Center for Continued Learning at 800-WILKESU Ext. 5615.
