

# Club Reports

THREE TIPS TO MAKING AN EFFECTIVE CLUB  
REPORT AT A STUDENT GOVERNMENT MEETING

## Activities

*When do you meet and how often?*

*How many members are in the club?*

*What events does your club put on or participate in?*

*What community service have you done?*

## Fundraising

*How many fundraisers have you done?*

*How successful were they?*

*Does your club plan on doing more?*

*Can SG help in any way?*

## Future Plans

*What does the club plan on accomplishing over the next semester?*

*Are there any more fundraisers students should know about?*

*What events does the club plan on hosting or attending?*

*Note: Clubs may also complete club reports early in the Fall/Spring semester and simply give future plans.*
