Article VI.

Section 1: Election of Officers

The officers described in Article III and committee chairs will be elected in April, by a simple majority of the Club's members attending that meeting. The officers will be elected from a slate of candidates provided through open nominations. In order to be nominated, a member must have attended at least 80% of general meetings in both the Fall and Spring semesters. Officer candidates must also have participated in at least three club activities per semester. The term of each officer will be one year, yet a member may serve in the same office up to two consecutive terms. In the event that an office is not filled during the Spring Semester election, the remaining members of the Club's Executive Committee may appoint a person to fill the office without a majority vote of the Club's members.
Section 2: Removal of Officers

In the event that one or more of the above officers no longer meets the expectations of the position, the remaining officers may vote and, by simple majority, remove said officer from his/her position. Depending on the needs of the club or the timing in the year (closeness to the next election), the officers may either appoint a new officer or take up the duties between themselves.

Section 3: Selection of General Members

Membership to the club is open and there is no selection process. Members will not be asked to pay dues, unless approved by vote in an official meeting.

Section 4: Removal of General Members

Removal of members will be dealt with on a case-by-case basis, but will follow the guidelines below. In cases of suspension/banishment from club meetings or events, the offending member will not be refunded any dues paid. Offending members may request a private meeting with club officers to discuss their suspension/banishment or have their suspension/banishment reviewed by the club’s faculty advisor.

Minor offenses (non-payment of dues, disruptions of meetings, etc.):

The offending member will be warned/reminded of their behavior and possibly asked to refrain from attending the following meeting. Repetition of minor offenses may result in banishment from club meetings and events for the rest of the semester or year.

Major offenses (theft, harassment, etc.):

The offending member will be asked to leave the meeting (if applicable) and asked not to return for the rest of the semester or year. If needed, University officials will be notified of the member’s behavior.
Section 5: Understudies

To create a fluid transition from the incumbent to succeeding officers, elected members may shadow the Club’s officers. After officer elections as detailed in Article VI Section 1, understudies may attend executive committee meetings, but will remain as general members until they assume their positions as Club officers at the start of the next academic year. Understudies will not have voting privileges at executive committee meetings, nor will they stand in for current officers.
